Attorney Docket No. 0624-040488

The reference listed on Form PTO/SB/08B was first cited in a communication from the European Patent Office dated September 22, 2006. This reference provides, in part, that "anhydride arsenieux" is a synonym of the English wording "arsenic trioxide". A copy of the communication from the European Patent Office is enclosed herewith.

Pursuant to 37 CFR §1.97(b)(3), no fees are believed to be due with the submission of this Second Supplemental Information Disclosure Statement, as it is being submitted before the mailing date of the first Office Action on the merits. Nevertheless, the Commissioner of Patents and Trademarks is hereby authorized to charge any additional fees, which may be required to Deposit Account No. 23-0650. One original and two (2) copies of this Supplemental Information Disclosure Statement are enclosed.

Respectfully submitted,
